

**Dear Friends, Supporters, and Community Members,**

On behalf of the YURISE Foundation, I would like to invite you and your organization to be part of a heartwarming and impactful event—our Fundraising Concert for Individuals with Special Needs, to be held on Saturday, November 16, 2024, at Houston Christian University, Belin Chapel.

The YURISE Foundation is dedicated to addressing the unique challenges faced by Asian immigrant families raising individuals with special needs. As these families navigate the difficult transition to adulthood for their loved ones, we are committed to helping them access vital resources, secure meaningful employment, and create long-term care solutions.

Our Fundraising Concert will not only raise awareness but also generate essential funds to support these families. By fostering partnerships with established organizations, we aim to expand access to vocational training, care programs, and long-term support for adults with special needs within the Asian community.

We are seeking sponsors to help make this event a success. This is an excellent opportunity to showcase your support for an important cause, connect with community leaders, and gain visibility through our concert promotion efforts. We offer various sponsorship levels, each designed to highlight your organization's generosity and commitment to the community. Attached, you will find our sponsorship packet, detailing the benefits of each level.

**Concert Highlights:**

- Renowned Italian pianist Francesco Attesti will perform the works of Bach, Schubert, and Chopin.
